

ComIT Final Project ideas

Huong Nguyen

17 Oct, 2019

Idear 1: Create a website for driving road test booking.

The website includes three main pages:

- Page 1: login screen.
- Page 2: After login, users allows to choose the period of date (From date...to date) they want to book for the test. Then, the screen displays the list of available spots. User selects one spot they want. User clicks button "Submit".
- Page 3: Result page: After clicking button "Submit", result page is displayed to confirm the date, time of the booking. User also gets an email informed about the booking status.

Idea 2: Create a website to manage exam grades of a subject (assignments, mid term exam, final exam) of a high school student.

The website includes two main pages:

- Page 1: login screen.
- Page 2: After login, user can choose filter criterias as 1) Subject 2) Assignment grade 2)Mid term exam 3) Final exam... Click button "Search", the screen displays the grade accordingly.
